ORDER

Although Plaintiff has titled his pleading as a "Stipulation", no such stipulation exists. In fact, Defendant has filed an opposition to the request contained in the so called Stipulation.

The request to extend the trial date to ten (10) days is DENIED. The previously allocated time for trial of three (3) days is confirmed.

Plaintiff is cautioned that irregularities in drafting, such as the pleading now before the Court, will not be tolerated in the future and may result in sanctions.

IT IS SO ORDERED.
